HELFRED'S QUALITY OFFERING

An Invitation

It is indeed a pleasure to extend a cordial invitation to all who are interested in Shorthorns to attend our sale in the heated sale pavilion at the Iowa State Fair Grounds March 1st, 1947.

The offering consists of a select group of 10 Bulls and 29 Females, sired by our herd bulls, and bulls of National reputation, many of them are strong candidates for this season's shows. The females are a very uniform offering, and those of breeding age are mated to either Imported Bapton Major or Edellyn Royal Leader 41st.

The cattle industry has a brighter future than at any time in the past decade, prices are bound to hold their present level for a few years until there is a surplus. Study this catalog, the pedigrees, and the pictures, then you will realize that in this sale cattle of the best type, the highest quality and the best breeding are being offered.

Everything possible will be arranged for your comfort sale day. We want you to enjoy your visit, whether or not you prove to be a buyer, we would like to have you as our guest.

F. W. Hubbell

Terms and Conditions

LOCATION—The sale will be held in the sale pavilion at the Iowa State Fair Grounds at Des Moines, Iowa, on Saturday, March 1st, 1947. Intersecting roads make Des Moines easy of access by paved highways from all parts of Iowa and adjoining States. There is convenient Rail and Bus service to and from Des Moines.

GUARANTEE—All cattle in this sale will be sold under the Standard Guarantee endorsed by the American Shorthorn Breeders Association. Certificates of registry and transfer of ownership will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale, without trouble to the purchasers, but at their risk of loss or injury.

TERMS—The terms of the sale are cash.

HEALTH—The herd is federally accredited No. 245605 for tuberculosis. All the females have been vaccinated for Bangs and will have passed a clean test before the sale, and are guaranteed to comply with the health regulations of any state into which they may go.

Hotel Kirkwood will be sale headquarters. Rooms can be secured by making your reservations in advance to the Kirkwood Hotel, Des Moines, Iowa, mentioning the Helfred Farms Sale. Transportation will be available from the hotel to the sale and return.

MAIL BIDS—If unable to attend the sale, mail bids to the following fieldmen attending the sale; they will be handled with utmost care. Please address them either in our care or that of the Hotel Kirkwood. Clint Tomson, secretary of the American Shorthorn Breeders Association. Merv Aegeuter, Shorthorn World representative, Tom Sherlock, Cornbelt Dairies, Clem Larsen, field representative of the American Shorthorn Breeders Association.

AUCTIONEERS—J. E. (Jack) Halsey, Des Moines, Iowa; Ross Long, Grundy Center.

Lunch will be served.

HELFRED'S QUALITY OFFERING

BAPTON MAJOR

Bapton Major is a half brother to the sire of the record priced bull Pittodrie Upright. Now that we have found the crosses that he nicks best with we can expect to see a wonderful lot of quality calves, three calves that he sired sold for an average of over \$1600.00 in the last International sale. There are few if any bulls of any breed that show the depth of body, and quality of deep mellow flesh that he carries.

Edellyn Royal Leader 41st 2322789—sired by the famous Edellyn Royal Leader, was bought in the 1946 Edellyn sale. He was the youngest and probably the least fitted calf in the auction, yet he was far enough along to convince us that he had the quality and general conformation to carry on our program of producing natural fleshed, medium type cattle. To vindicate our judgment he has developed far beyond our expectations as an individual and with his royal ancestry we feel confident he will sire the type of calves that will be an asset to the breed. A number of the heifers in this sale are mated to him.

Helfred Bapton Major 10th 2330619 will be retained as our Junior Herd Sire. He combines all the fundamentals of a sire with his rich ancestry, which includes Imp Villager, the most perfect bull I have ever seen as well as being the outstanding sire in North America at that time. Braelodge Footprint and Braelodge Headlight were both first prize winners at the International. Bapton Air Pilot and Bapton Air Control are outstanding individuals of the most approved type as well as proving great sires. On the dams side Augusta 144th although 19 years old is still one of the most perfect beef females to be found anywhere. Estelle of Braelodge was a Canadian Champion and could be classified as the Ideal Shorthorn female. Aldsworth Missie 12th, according to the reports of competent judges, is a very neat, smooth, short legged cow that produces both bulls and heifers of the most accepted type. The calf himself is the best individual that we have ever produced, he has an ideal head, short deep neck, smooth shoulders, well filled heart girth, wide over the back, smooth around the tail and wide deep hindquarters. He carries himself on very short sturdy legs, that are set on all four corners of his deep wide body.

Helfred Keepsake, out of the same dam as the twice international grand champion female, Rosewood of Helfred 4th, is proving an excellent sire of both bulls and females. His sire, Fascinator, was recognized as the leading sire of females in his day, siring more prize winning females than any other bull. In Helfred Keepsake we have a bull that is proving the equal of his sire as a sire of females and a much better sire of bulls. That was demonstrated in 1944 when his sons sold for an average of \$700.00, going to head some of the best herds in the country. His name will become more familiar as time goes on.

Everyone who has visited the farm and examined him say he is the best bull we have ever offered for sale, since Helpred Maurauder. His dam is a beautiful dark roan, very low down, thick smooth fleshed cow that gives an abundance of milk. He has everything to recommend him as an outstanding prospect for a sire.
